**MIAMI-DADE COUNTY, FLORIDA
NOTICE TO PROFESSIONAL CONSULTANTS
MIAMI DADE DEPARTMENT OF TRANSPORTATION AND PUBLIC WORKS (DTPW)
ADDITIONAL ELEVATORS AT DADELAND NORTH METRORAIL STATION
PROJECT NO. A15-MDT-01**

The County Mayor, Miami-Dade County, pursuant to Chapter 287.055, Florida Statutes, Sections 2-8.1 and 2-10.4 of the Miami-Dade County Code, Implementing Order 3-34, and Administrative Order 3-39, announces that the Miami-Dade DTPW is seeking a Professional Services Agreement (PSA) for Preliminary Engineering (PE), Final Design (FD) and Post-Design services for the preparation of a complete set of contract documents for the construction and implementation of two (2) additional elevators at Dadeland North Metrorail Station's nine (9) floor garage.

The scope of services includes conducting preliminary engineering and final design, the preparation of a complete set of biddable construction documents, technical specifications, and preparation of the engineer's estimate of probable construction cost at various control points, conducting the dry-run permit process, services during the bid and award phase and providing design services during construction.

The selected consultant will be required to conduct all the necessary coordination between Miami-Dade County departments and other agencies having jurisdiction, and appropriate permitting agencies.

Elements of the work include, but are not limited to architecture, surveying, soils investigation, structures, civil, mechanical, electrical, plumbing, utility conflict identification, utility coordination, sidewalk improvements, lighting, landscaping, and maintenance of traffic.

DTPW intends to retain the selected consultant that will have the following experience and qualifications:

1. Experience in at least one (1) similar completed project within the last five (5) years.
2. Minimum of five (5) years of experience with planning and design of vertical circulation systems intended for movement of people, to include specific experience with elevators and stairs.
3. Experience with dry-run permit processing and approval with all applicable agencies having jurisdiction over the construction work.

The term of contract is for one thousand eight hundred and twenty-five (1825) day period with one hundred eighty-three (183) day contingency period. Base estimate compensation for this contract is eight hundred eighty-five thousand dollars and sixty cents (\$885,000.60) including contingency in accordance with Ordinance 00-65. No minimum amount of work or compensation will be assured to the retained consultant.

This document is a draft of a future solicitation and is subject to change without notice. This is not an advertisement.

The County reserves the right to re-use the work products of the retained consultant and to retain other consultants to provide the same or similar services at its sole discretion.

The firms providing these services must be certified in the following technical categories and the respective percentages of the disciplines as indicated below:
